## Kick-off Meeting September 25 @ 7 pm

Beginning September 25, all general meetings for 2007-2008 club year will be held in the Community Room at the GIANT Super Food Store, 3301 Trindle Road in Camp Hill.

It is a great location with state-of-the-art facilities to accommodate our digital competitions.

## CLUB PICNIC

Sunday, August 26 @ 11:30 am

Following the photo shoot at the old Williams Grove Amusement Park (*see page 2*), members and friends of the club are invited to a club picnic at the home of Tom Wenger's mother. The property itself is filled with photographic opportunities. The house is a pre-revolutionary stone farmhouse sitting on 65 acres of farmland. The house itself is surrounded by gardens, stone walls, an herb garden, split rail fence and more. The barn was built in the 1800's and has several accompanying outbuildings and houses a horse. The property is located in beautiful Monroe Township just a couple miles from the Williams Grove field trip location scheduled for earlier that morning.

The club will provide the hot dogs, burgers and drinks. We are asking our membership or friends of the club to bring along something to share (dessert or side dish).

Our biggest concern is that the home only has a second floor bathroom, which may be an issue for some of our club members.

*Directions to the picnic and Williams Grove are on page 7.*

## It's a Celebration!

### PLANNING FOR OUR 75<sup>TH</sup> ANNIVERSARY

The Club is celebrating its 75<sup>th</sup> anniversary in 2008. We are looking for members or former members to help make this a special celebration by serving on the planning committee. The first meeting will be held in late July or early August. Please send an email to the camera club email account if you are interested in assisting.

Prior to this time and into the late summer we are asking for any suggestions you may for our anniversary celebration. Suggestions so far include a special exhibit of works from current and former members at a Harrisburg venue (e.g. City Government Center), a special newsletter

feature in all 2008 editions highlighting our Club's history, a sort of club-membership-biography (so many members, past and present, are and have been involved in special projects over the years), a special brochure (designed by our own Charlie Smith) discussing our club, and a special logo designed for this celebration which will be available as T-Shirts and other items. Please share any other ideas with the club and join in the celebration.

## Quotable Photography Exhibit

During the month of September and during the Harrisburg Gallery walk on September 9, the HCC will be having a special themed exhibit; Quotable Photography. It will be held at the Midtown Cinema in Harrisburg. The major focus of this exhibit is to pair your photo with a quote. The quote can be from anything but it should capture the essence of the image.

Intake for the exhibit will begin on August 11<sup>th</sup> and end on August 25<sup>th</sup>. There is a fee of \$5 to offset Camera Club costs for Gallery Walk fee and reception. Members may submit up to two images. Additional donations are welcome. Our Hospitality Committee also needs assistance to setup a small reception during Gallery walk. Club members are asked to donate any time they may have during this walk to address visitors questions. Please contact the Don (737-9251) if you are willing to help out.

## **Funny Fotos Exhibit Thru February 29, 2008**

Laughter is the best policy! This exhibit at the Cumberland County Historical Society brings smiles and chuckles to all while looking at the variety of photographs offered for viewing. All of the photos are from the Society's Photo Archives and date from the Civil War to the 1980s. "A light look at photos from our collection" said Richard Tritt, Photo Curator. "We usually do serious subjects, but decided to do something lighter for a change." Richard kept his eye out for funny pictures of both intentional and unintentional humor. Then, he tested them for humor on staff and volunteers at CCHS. There are five categories of photographic humor: a group of captioned photos, and a group of photos by Jim Bradley, and (in cases) collections of Babes (children), Hair and Hats, and Outfits. Come with a sense of humor and look at over a hundred years of life in Cumberland County and reflect on people, poses, situations and attitudes changing through time.

Call 249-7610 or visit their web site at [www.historicalsociety.com](http://www.historicalsociety.com) for more information and to see the museum virtual tour. Cumberland County Historical Society is located at 21 N. Pitt Street, in Carlisle Pennsylvania. Hours are Monday 3 to 9 pm, Tuesday through Friday 10 am to 4 pm and Saturday 10 am to 3 pm. ## MUTE SWANS ON THE SUSQUEHANNA

*Submitted by Linda Sweeger*

Rob and I had the unique experience and adventure this Spring to visit and observe the nest of a beautiful pair of Mute Swans. Only Mute Swans nest in Pennsylvania. (Tundra and Trumpeter Swans only nest in Canada.)

We have been visiting these Swans for over three years. This was their third nest, the first high enough from the River not to be flooded and washed away.

“Handsome Fellow” and “Pretty Girl” welcomed our visits the first four weeks. Then Handsome Fellow went into ‘protective mode.’ We cautiously took food in, carefully placed it, took a few photos and left. Just seeing that they were okay was worth the effort to get to the well-hidden nest site.

On May 23rd, three tiny Swan Cygnets hatched from the six large eggs that Pretty Girl laid in early April. Hoping the other three eggs might have a chance, we waited until May 26th to slowly walk into the nest site for our first visit with the Swan Family. We were prepared to turn and leave if Handsome Fellow charged and chased us away.

Instead, like a fairy tale, Handsome Fellow and Pretty Girl proudly brought their tiny balls of fluff out along the river’s edge to meet us. We had a delightful visit for about 30 minutes. Then the Swan parents took the little ones back to the nest for a mid-morning nap. We slowly, carefully walked through the eight foot plus weeds hiding the nest and watched for a few minutes Pretty Girl with the sleepy Cygnets on the edge of the nest. Handsome Fellow was standing on the right just watching his new family. He never look toward us. He was not concerned with our presence.

On May 30th, when the Cygnets were seven days old, their parents took them back to Marysville and on the “Grand Tour.” Mute Swan parents take their little ones on a tour of the entire territory they will live in, stopping to see their favorite spots and People. Mute Swans allow the little Cygnets to climb up and ride on their backs; several Marysville Residents got to witness this. Phones rang from one end of Marysville to the other “the Swans are back, the Swans are back!”

# Member Recommendation

## Acrylic Sheets-Excellent Source at a most reasonable cost

Log onto [www.framingsupplies.com](http://www.framingsupplies.com) and see that company’s catalog. The company offers excellent acrylic sheets for framing at outstanding prices--half or two-thirds less costly as compared to that offered by the Picture Frames company and others I have tried via mail order, and cheaper than Dick Blick. The sheets are much heavier than the others’ sheets, and open easily (meaning the plastic cover comes off easily, as compared to some products that take a great deal of effort to take the cover to the acrylic off), and does not scratch easily, a major problem with light-weight acrylic sheets. The price for 16 x 20 sheets is \$5.91 each in a box of 11, with shipping the total cost for these is \$75. I use these, in contrast to glass, because of far less weight in handling and mounting exhibits.
